Unused M82 sounds for Heavy Sniper and Sniper Rifle

How to Install ?

Drag 'n drop the two .AWC files in "mods/x64/audio/sfx/WEAPONS_PLAYER"

And for the "weapons.awc" file: Extract the "weapons.awc" file. It's located in "mods/x64/audio/sfx/RESIDENT.rpf", right click on that and click on "Extract to openFormats (.oac)", and place the .WAV file in the "weapons" folder, then drag the .OAC file in OpenIV, after that, done!
